Detailed description: This is a land survey map. The central focus is plot 864, which is an irregularly shaped area. To its north and east are several other plots, including 852, 853, 851, 850, 849, 852-1, 852-2, 852-3, 853-1, 858, 863, 865, 867, 867-1, 867-2, 868, 866, 869, 870, 872, 873, 874, and 855. The map shows the boundaries of these plots with lines. Plot 864 has several boundary markers indicated by red circles with a cross inside, numbered 1 through 7. Marker 1 is at the northeast corner, 2 is slightly north of it, 3 is at the east corner, 4 is slightly west of 3, 5 is at the southwest corner, 6 is at the south corner, and 7 is at the northwest corner. There are also some blue numbers (1, 2, 3, 4, 5, 6, 7) near the markers. A north arrow is located at the top left of the map area.
